

Golden's Path to Reconciliation

Learn more about Indigenous stories and peoples through any medium – and show us how it changed your perspective. This project is open to everyone in our community.

Registration required

Submission deadline: April 30th

Resources and suggested titles for all age groups available upon request.

Learning TOGETHER

Read a book! Listen to music! Watch a movie! Explore artwork! There are many paths leading to a greater understanding of Truth and Reconciliation and what it means for our community.

Respond to your chosen "text" with writing, artwork, music, photography – how has your thinking changed? How do you feel about it?

A community celebration of submissions will be hosted at the Golden Skybridge on **May 17th**. All participants will receive a free pass for the day and additional prizes will be awarded in a variety of categories!

This project has been inspired by the call to action 63.3.: Building student capacity for intercultural understanding, empathy, and mutual respect.

we see students as people of ALL AGES
